The PDF file includes:

Legend for movie S1

Other Supplementary Material for this manuscript includes the following:

(available at advances.sciencemag.org/cgi/content/full/6/41/eabc7350/DC1)

Movie S1

Supplementary materials

Supplementary Video 1: An example video of speckle images from an experiment showing the complex dynamics of the deformation bands from the yielding of the sample until the final failure. The color corresponds to the speckle image intensity (from dark to light) which corresponds to the local strain rate.
